1. Quality of lectures given by this instructor

2. How well organized were the lectures?

3. How successful in stimulating thought?

4. How useful were texts, assigned reading, problems, and other resources?

5. Overall, how would you rate this instructor?

6. What suggestions can you offer as to how specific sections of the course could be improved?
7. Relative to other beginning graduate level courses, how difficult was this course?

| Very Easy | 1 | 2 | 3 | Average | 4 | 5 | 6 | Very Difficult | 7 |

8. How much knowledge did you gain from the course, relative to the effort required?

| Very Little | 1 | 2 | 3 | Average | 4 | 5 | 6 | A Lot | 7 |

9. Overall, how would you rate this course?

| Very Poor | 1 | 2 | 3 | Average | 4 | 5 | 6 | Excellent | 7 |

10. How useful were the special topics lectures? Would more of these lectures be helpful, even though they would be presented in place of some of the current didactic lectures? Are there particular topics you would like to see covered that are neglected or underrepresented in the current course?

11. What would you change about the course as a whole to make it better for next year’s students?
